Make a Difference in Denver's City Park

Join us for our Make a Difference Day Volunteer Project on Saturday, October 28th, 8:30 am to 1 pm

Mile High Youth Corps members and staff will team up with employees from FirstBank and community volunteers to help get Denver's City Park in shape before winter hits. 150 volunteers are needed to mulch trees, shrubs and flower beds to help prepare them for winter. MHYC Corpsmembers are working with City Park staff to organize the project and recruit volunteers. These youth will serve as Crew Leaders for teams of volunteers on the day of the project. This is a great opportunity to see MHYC Corpsmembers in action while making a difference in one of Denver's premier parks. For more information or to RSVP for the project, contact Kristen Cappello at kcappello@mhyc.net by October 26th*.

Couldn't make it to our sold out wine tasting event? You can still stock up on great wine and support MHYC at the same time. **Corks-The Wine Store has generously extended the 5% MHYC donation period through October 31st.** The attached pdf contains a brief description of all the wines that were poured plus a price list / order form. For your convenience, you can fax your order to Corks at **303.477.5799**. Wines will be pulled, charged to your credit card, and bagged for pick-up. Corks will call you to confirm that your order has been filled. If you prefer, you can take your order form to Corks at **1620 Platte Street** and pick out the wines yourself. Either way, you get the discount and Mile High youth Corps gets a donation equal to 5% of your purchase. Questions? Email shandav@mhyc.net. Cheers!

Fall Wine Tasting & Art Sale a HUGE Success

Thanks to CoBiz Inc, Corks-The Wine Store, Whirled Peas Catering & Moody Jude's for supporting our first-ever sell-out event. Through their generosity, and the support of everyone who attended and purchased wine, MHYC raised over \$8,000 to support our programs for urban youth. These funds will be used to help youth develop the skills they need to succeed in the classroom, the workforce and everyday life. Thank you! *Keep an eye out for an invitation to next year's Summer Tasting in July 2007.*
