ABOUT MILE HIGH YOUTH CORPS ///

Mile High Youth Corps (MHYC) helps youth make a difference in themselves and their community through meaningful service opportunities and educational experiences.

MHHC believes that supporting the development of youth ages 16-24 has long-term impact on individuals, communities and the environment. For 25 years, MHYC has combined service opportunities in career pathways with education and personal exploration to help young adults discover their strengths and learn to lead. MHYC offers pathways in land, energy & water conservation; construction and health & wellness. When youth know themselves, feel supported, and can serve others, they will change the world.

/// ABOUT BUILDING FUTURES

Building Futures is the signature fundraising event for Mile High Youth Corps. The evening brings together over 400 supporters as we celebrate the success of the year and have an opportunity to meet and talk with participants and alumni.

This annual event includes a VIP pre-reception with current Corpsmembers and alumni, a tasting, food, fun and a chance to participate with Corpsmembers in hands-on, interactive activities.

**TRIPLE-INVEST IN THE FUTURE.
YOUTH, COMMUNITY, AND ENVIRONMENT.**
