\$518.70
Average Annual
Client Savings

Why Mile High Youth Corps?

- Extensive experience with over 40,000 low-income clients served
- Aligned with the Colorado Water Plan to significantly improve public awareness of water issues by 2020
- High proficiency in client intake, audits, installation and education
- 96% client satisfaction rating
- Denver's Office of Strategic Partnerships conducted a study in 2017 that revealed MHYC provided significantly higher electricity savings at a fraction of the costs when compared to other agencies delivering the same services.

MHYC Crews Are:

- Technically trained
- Fully insured by MHYC
- Supervised by a full-time MHYC staff member
- Equipped with tools needed for the project
- Trained in culturally competent client services
- Provide bilingual client intake and behavioral coaching

MHYC Partners With:

- Aurora Water
- Denver Office of Strategic Partnerships
- Energy Outreach Colorado
- Xcel Energy
- ICAST
- Colorado Springs Utilities
- Denver Housing Authority

Impact Since 2006

- 476+ million gallons of water saved
- Serves as a pipeline for youth employment in green jobs
- \$2.4 million in client utility bill savings
- 69 million lbs. of CO2 eliminated since 2008

**TRIPLE-INVEST IN THE FUTURE.
YOUTH, COMMUNITY, AND ENVIRONMENT.**
