of water saved

250 miles of trail built
or maintained

1.9 million hours of service

ABOUT MILE HIGH YOUTH CORPS ///

Mile High Youth Corps (MHYC) helps youth make a difference in themselves and their community through meaningful service opportunities and educational experiences.

MHYP believes that supporting the development of youth ages 17-24 has long-term impact on individuals, communities and the environment. For 30 years, MHYC has combined service opportunities with education and personal exploration to help young adults discover their strengths and learn to lead. MHYC offers career pathways in land, energy & water conservation, construction and healthcare. When youth know themselves, feel supported and can serve others, we are confident they will change the world.

/// ABOUT BUILDING FUTURES

Join MHYC for our signature fundraising event, Building Futures! We are looking forward to hosting an in-person outdoor event to celebrate 30 years of meaningful work across Colorado. The evening brings together over 300 supporters for a chance to celebrate and reflect on all that has been accomplished. This is a great opportunity to meet and talk with Corpsmembers, alumni, staff and members of our Founders Circle.

This year's event will again include a VIP pre-reception, food, fun and a chance to participate with Corpsmembers in hands-on, interactive activities.

2022 BUILDING FUTURES CHAMPION

The Building Future Champion recognizes a community a community or employer partner who has demonstrated long-term support of MHYC and have been invaluable in helping us become the organization we are today. MHYC is excited to recognize Greiner Electric for their long history of partnership with MHYC.
