ABOUT MILE HIGH YOUTH CORPS

Mile High Youth Corps (MHYC) helps youth make a difference in themselves and their community through meaningful service opportunities and educational experiences.

MHHC believes that supporting the development of youth ages 17-24 has long-term impact on individuals, communities and the environment. For 31 years, MHYC has combined service opportunities with education and personal exploration to help young adults discover their strengths and learn to lead. MHYC offers career pathways in land, energy & water conservation, construction and healthcare. When youth know themselves, feel supported and can serve others, we are confident they will change the world.

ABOUT BUILDING FUTURES

Join MHYC for our signature fundraising event, Building Futures! This in-person, outdoor event provides the platform to celebrate the meaningful work of MHYC across Colorado. The evening brings together over 300 supporters for a chance to celebrate and reflect on the difference MHYC young adults make in their community and themselves through meaningful service and educational opportunities. This is a great opportunity to meet and talk with Corpsmembers, alumni, staff and members of our Founders Circle.

This year's event will include VIP giveaways, food, fun and a chance to participate with Corpsmembers in hands-on, interactive activities.

2023 BUILDING FUTURES CHAMPION

The Building Future Champion recognizes a community a community or employer partner who has demonstrated long-term support of MHYC and have been invaluable in helping us become the organization we are today. MHYC is excited to recognize Brownstein for their long history of partnership with MHYC.
